MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report
for MARCH 1969

1. The attached tables reflect some of the activities of certain components of the Office of Security during MARCH 1969.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. Reinvestigation Program cases scheduled, again dropped below the projected FY 1969 level of approximately 400 cases estimated monthly, as 295 RIP cases were processed during the month of February; however, 2,740 have been scheduled to date this fiscal year as compared to 1,955 for the similar period in FY 1968.

4. Man-days expended in the physical survey of overseas stations and bases number 302 man-days to date this fiscal year as compared to 492.5 man-days for the similar period in FY 1968. 25X1A13c

6. One of the most noteworthy statistical increases is the continued sharp rise in the total support man-hours in the IOS Directorate. So far this fiscal year, the total support man-hours have reached [REDACTED] man-hours, which exceeds the record-breaking FY 1968 total by 13,689 man-hours for the same period. This increase in support man-hours is due primarily to the handling of defector cases. A breakdown shows: FOIAb3b
